

Listing Of Claims:

Upon entry of this Amendment, the listing of claims shall be as follows:

1. (Currently amended) A vehicle including at least first and second wheels, ~~means providing~~ at least one weight associated with one of said wheels, and a rotation ~~means~~ device operable to rotate the weight ~~providing means~~ in an opposite direction to the direction of rotation of said wheel.
2. (Currently amended) A vehicle according to claim 1, wherein the weight ~~means~~ is in the form of a flywheel.
3. (Currently amended) A vehicle according to claim 1 ~~or 2~~, wherein the weight ~~means~~ is the or part of a braking system of the vehicle.
4. (Currently amended) A vehicle according to claim 3, wherein the weight ~~means~~ comprises a brake disc arranged to rotate in the opposite direction to the direction of rotation of the wheel with which is associated.

Appl. No. 10/528,185
Second Prelim. Amdt. Dated July 27, 2005

5. (Currently amended) A vehicle according to ~~any preceding~~ claim 1, further including a planetary gear mechanism for rotating the weight ~~means~~ on the basis of rotation of the vehicle wheel.

6. (Currently amended) A vehicle according to ~~any preceding~~ claim 1, wherein the weight ~~means~~ is designed to provide a gyroscopic effect which reduces the gyroscopic effect produced by the wheel or wheels of the vehicle.

7. (Currently amended) A vehicle according to ~~any one of~~ claims 1 to 5, wherein the weight ~~means~~ is designed to provide a gyroscopic effect which substantially cancels out the gyroscopic effect produced by the wheel or wheels of the vehicle.

8. (Currently amended) A vehicle according to ~~any preceding~~ claim 1, wherein the vehicle is a motorcycle.
